La lunghezza dei tre longeroni **Z** deve essere ricavata dal modello come pure la posizione dell'incastro.
The length of the three longerons **Z** and the position of the slot must be measured from the model, to be sure of the correct construction.
Die Länge der drei **Z**-Längsträger und ihre Einsteckstelle hängt vom Modell ab.
La longueur des trois longerons en **Z** doit être relevée selon le modèle, comme la position des encastrements, pour la plus grande précision.
De lengte van de drie langsliggers in **Z** moet volgens het model, zoals de positie van encastrements, voor de grootste nauwkeurigheid verhoogd zijn.
La longitud de las tres vigas **Z** debe deducirse del modelo, al igual que la posición del encastre.
